

EU Ocean Governance project Global Conference

20-22 September 2023
Tarragona, Spain

The Global Conference will be the final major event of the EU Ocean Governance project, and bring together partners and stakeholders from across the world. It will be an opportunity to discuss the project's results and recommendations, and to consider how we can ensure continuity and sustainability of what we have achieved to date.

Wednesday 20 September

Restoration in South-East Asia | Transboundary and regional cooperation in South-East Asia | Atlantic scoping study | Resilience twinning

Thursday 21 September

Marine Mammals twinning | MPA networks twinning | Exchanges between the Atlantic and South-East Asia | Overall project impact

Friday 22 September

Contribution of the project to global agreements and targets | The way forward | Field visit to EU Natura 2000 Coastal Area

Take part online (free) or in-person!
